BUSINESS MICRO LOAN PROGRAM

Global Sisters recognises that for micro businesses to thrive, having access to financing options makes all the difference.

Global Sisters have created right-sized, affordable no interest and low interest business loan options specifically for early stage micro business. The Business Micro Loan Program offers two products: The Start Up Purse and the Growth Wallet.

The Global Sisters business micro loans program does not stand alone – it is integrated with the ‘end to end’ services in business education, coaching, technology and sales channels. We call this ‘relational’ micro lending, where the risk of lending is low due to our pre-existing relationship with our Sisters (clients) and the value Sisters place on accessing all the full suite of business development programs. In addition to the Business Education, is access to micro business insurance brokerage support.

Business Micro Loan Schedule 2025

The Global Sisters Business Micro Loan Program takes applications on a quarterly basis only, coinciding with the Business Education offerings and Business Coaching Programs.

This flow of programs will be offered across Q1, Q2, and Q3, providing multiple opportunities. Stay tuned to the Sister Portal for detailed application timelines, key deadlines, and important updates.

Any questions, reach out to our Member Services team members@globalsisters.org

The Global Sisters Business Micro Loan Program is available for business purposes only. When applying for a business micro loan, there are a number of key documents you will be required to provide, including identification, proof of individual income and business financials. Applications for finance are subject to Global Sisters eligibility and suitability criteria and normal credit approval processes. Full terms and conditions, including the repayment schedule are included in the loan offer. You should consider these before making a decision to accept any financing offer.
